**ICA'S MERIT-BASED AND NEED-BASED  
EDUCATION SCHOLARSHIPS**

In keeping with our goal to provide financial scholarships and assistance to as many students as possible, we are happy to announce continuation of our merit-based and need-based education scholarship program. In addition to our annual merit-based scholarships to high school graduates and 4-or-more-year college degree students, ICA will also award scholarships of \$3,000 each to eight qualified college students this year based on their financial needs. The need-based scholarship program is made possible by the generous donations received from *Dr. Mahendra and Jayshree Patel Foundation*, several other donors, and a matching contribution from the *ICA of CJ*.

The application forms for both the merit-based and the need-based scholarships are enclosed. **Please review the eligibility requirements carefully.** You may apply for one or both the *scholarships*. If you qualify, fill out the appropriate form(s) and send with **all required supporting documents** before the closing date to the address shown on the forms. **Missing or incorrect information may disqualify your application.** *Please note that any information provided with the need-based scholarship form will remain confidential.*

If you have any questions regarding these scholarships, please call Sunil Shah or any one from the Education Subcommittee.
